

# HOW CAN I NOT VOTE? *Continued*

Did your forebears march, sit-in, get arrested? Were they lynched? Did they do this for nothing?

Voting matters. Standing for office matters. Ethical practice of official duties matters because it impacts the future of our children, and all of humanity. Education matters. History matters. It is all tied together.

It was not just about eating at a lunch counter. Some may call it an African American issue. But it is really a human issue. It applies to anyone. It is about our shared future. So, I will ask it another way. How can you not vote? How can you, by example, not teach your children to vote?
